

WELCOME TO FPL THIRD SPACE

COMFORT • CONNECTION • COMMUNITY

Your home away from home

Is there a place you go away from home and outside of work? A place where you can have casual conversation with friends and acquaintances over coffee? A place where you can meet new people who share your interests?

A new welcome center at Framingham Library could be that place. Our goal is simple—to provide a sense of comfort and ease in a time of increasing isolation and loneliness. It's a place also known as a Third Space.

/ Third Space /

A place outside of home and work where you gather, build relationships, and exchange ideas.

Framingham Public Library's Third Space can help you find connection with others. To do that, we'll have friendly staff, engaging displays, and comfortable seating. Browse, sit, and stay. It's that simple.

Based on what we know patrons love about the McAuliffe Branch, the Main Library welcome center will feature:

- A central "living room" area
- Booth seating at our windows
- Plug-in furniture for devices
- A new periodicals and café area

With your help, the FPL Third Space will become an ideal welcome center, bringing comfort, connection, and community to Framingham.
